

A RESOLUTION ESTABLISHING THE  
EDUCATION COMMITTEE OF THE  
CITY OF RED BAY, ALABAMA

BE IT RESOLVED by the Mayor and City Council (herein called "the council") of the City of Red Bay (herein called "the city") in the State of Alabama as follows:

Section 1. Findings. The council has received a report entitled "Improving Education in Red Bay, Alabama". This report includes the results of a study conducted by an independent consultant for the Red Bay Committee for School Improvement. This report finds that Red Bay is a progressive community with high expectations for its schools and the quality of life in the community itself. The report recommends the establishment of an educational advisory committee to make recommendations for improving education and funding those improvements.

Section 2. Establishment of the Red Bay Education Committee. There is hereby created and established the Red Bay Education Committee. As of this date the Committee is authorized to establish a cooperative liason with the Franklin County Board of Education on behalf of the city for the purpose of improving Red Bay School. The Committee is further authorized to advise the council on matters of financing education, contracting for services to the Committee, long range planning for education, setting goals for education and expenditures for education.

Section 3. Request to the County Board of Education. The County Board of Education is hereby respectfully requested to cooperate with the Red Bay Education Committee herein established so as to effectuate a plan of improvement for Red Bay School.

Section 4. Membership on the Education Committee. The following shall be and hereby are elected as members of the Red Bay Education Committee to serve for the terms of office commencing in each case on the date of the first regular meeting of the council in March 1988 and continuing for the period hereinafter set forth:
